Why do you need to take a break?

Do you prefer a long break or
several short breaks?

By and large, I prefer several short breaks. **Mainly because** I have a bit of a short attention span, but also I think it's much more productive to have more frequent breaks. **That said,** I do like to have a long lunch break!

What do you usually do during a break?

Sometimes, I'll pop out for a quick coffee so I can stretch my legs as well, and other times, I might go and chat to some colleagues. A bunch of them usually go for a smoke outside, so I might join them, even though I am not a smoker.

When was the last time you laughed?

That's hard to say, I think
it was probably last week.
I was watching a film and
it really made me giggle.
It was a comedy with Jim
Carey and if I remember
correctly it was called
'Yes Man'. It was one of
those films that's full of
visual humour, right? and
it really cracked me up.

Do you like to make people laugh?

**I do, I think I have a
good sense of humour, I
enjoy a good laugh with
friends. I am not really
into telling jokes, but I
like playing with words,
so in conversations I
am often thinking
about other meanings
words can have, and
then make a joke with
that.**

History

Do you like history?

I wouldn't say I am a big fan of history, but I do enjoy watching historical films or period dramas on TV. I find it fascinating to see the costumes and lifestyle of people in past times. For example, I used to watch Downtown Abbey and loved seeing how different society was then.

History

Did you enjoy learning history when you were a child?

To be honest, not much. It tended to be all facts and figures that I couldn't remember very well. So it was a bit tedious. It was only when I left school and started travelling that I started to get a taste for history.

Wild Animals

Have you ever seen wild animals before?

Well, I have seen lots in the zoo, such as lions and elephants, **but** I've never seen those kinds of animals **in the wild**.

When I was a kid growing up, I saw lots of foxes, **because** there were plenty of them in the forests near where I used to live.

Wild Animals

Do you like to go to the zoo?

Yes and no. I guess **on the one hand**, zoos are fun and it's amazing **to get up close to those magnificent creatures like the lions. But, on the other hand**, the cages in many zoos are **too cramped** and the living conditions of **many animals leave a lot to be desired.**
