- 10.29 Mind Mapping
- 10.30 Non Formal Req Analysis
- 10.30 Observ.
- 10.32 Org Model

Abbreviate
& Shorten
to write
FAST!

But any order
that helps
YOU!
(you won't be
tested on
the #s
or order!)

Write all #s that
correspond to BABOK Guide
first ... then go fill in what
you remember can help
remember more!

And practice lots!
So you see what you
know well & what
you forget (to study
more of!)
